PENDANT

A two-tone diffuser of handblown Czech glass made up of two flattened spherical shapes in two colors which are melded together while hot on the glass blower's pipe. The glass is held to a solid brass canopy by a brass band that sits at the "waist" between the two spheres. Each sphere is lit from within by its own bulb, one in each sphere. Suspended on two rigid brass tube stems from a canopy whose shape mimics the geometry of the pendant itself.
