PENDANT

5" / 127mm

5.5" / 140mm

The Dew Pendant is an intense expression of the molten origins of handblown glass. For a diffuser, the Dew Pendant features a solid sculpted glass shape composed of layers of glass applied while hot, giving it a dripping appearance. The glass is permanently affixed to the solid brass armature, hidden behind a minimal brass cylinder, which lifts to give access to the bulb. The fixture uplights slightly through the open top of the cylinder. The glass diffuser is available in either clear glass, or frosted clear glass, for two very different effects.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max

LED bulb included

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility

Specify overall drop length – Rigid brass tube stems are not field adjustable

Minimum overall drop length: 24"/610mm

Lengths over 50"/1270mm available at additional cost

Fixture weight (approximate): 10lbs/5kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
