

SkLO

Float 2.0

PENDANT

Large spheres of handblown Czech glass suspended on rigid brass stems. A custom brass socket assembly through one side holds the light bulb and is connected to the canopy at the ceiling with a length of exposed fabric-wrapped electrical cord. Each glass sphere is blown by hand without the use of moulds, and so is slightly imperfect in shape. Two brass thumb screws attach the removable bulb-and-socket from the side of the glass.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V E26 60W Max

LED bulb included

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility

Specify overall drop length – Rigid brass tube stems are not field adjustable

Minimum overall drop length: 29"/740mm

Lengths over 64"/1630mm available at additional cost

Fabric-wrapped electrical cord length will be supplied based on overall drop length specified – field adjustable

Fixture weights (approximate): 16lbs/7kg (LT259)
20lbs/9kg (LT319)

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
