

SkLO

Peak 8

CHANDELIER

A ring of eight lit 4.5"/110mm spheres of handblown glass are nestled below a conical form and suspended by a single stem, the forms of the Peak Chandeliers are both playful and elegant. The ceiling canopy is an identical smaller conical shape, mirroring the form of the chandelier. Elevating simple geometric forms, the proportions are everything in the Peak Chandelier, and every detail has been carefully considered. The glass diffusers are available in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max

LED bulbs included

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility
